**To: Advisors/Teachers/Counselors**

**From: Scott Koser, Watershed Specialist/Education Coordinator**

**RE: Rich Ramm Memorial Scholarship Fund**

The Clinton County Conservation District administers the Rich Ramm Memorial Scholarship, which was established in honor of a local farmer and scholar of agronomy who died in 1992.

The Rich Ramm Memorial Scholarship is offered every year to a graduating high school senior or full-time college student from any Clinton County high school or Jersey Shore High School student that lives in Clinton County. The student must be entered in or have been accepted into an accredited program in the field of agriculture. If the student is not sure if his/her major may qualify, please contact our office.

Enclosed are copies of the Rich Ramm Memorial Scholarship application and an announcement for posting. Feel free to contact Mary Ann Bower or myself if you have any questions (570) 726-3798.

Sincerely,

Scott Koser,  
Watershed Specialist/Education Coordinator
