Job Description

Job Title: Family Centered Services Case Manager
Department: Children & Youth Services
Position Number: 4421-15-24
Position Reports to: Special Programs Supervisor, Assistant Director, and Director
Grade Level: J
FLSA Status: Non-Exempt
Position Type: Full-time
Bargaining Unit Status: Bargaining
Date: May 17, 2019

Summary: This position will function as a Case Manager for Family Centered Services with a caseload of 6-10 families with children at risk of out-of-home placement due to abuse or neglect, and/or delinquency or with families whose children are currently placed outside the home. This Case Manager will provide short-term services to families and children to promote positive long-term changes to strengthen and maintain the family unit. Services are offered along a continuum of intensity and duration based on the needs of the family and must be delivered at times that are consistent with these needs, primarily on the site of their natural occurrence. Case Manager will sculpt the service to what the family needs most, and use different techniques and interventions to give them the tools they need to succeed. The case manager will typically work as a team with another FCS staff member.

Essential Functions: The following duties are normal for this position. These are not to be construed as exclusive or all-inclusive. Other duties may be required and assigned.

1. In conjunction with the family, develop a plan to outline the process for working towards positive and measurable change, designing time frames for achievement of objectives and addressing liaison and linkage responsibilities.
2. Provide short-term intensive services to families to promote positive change, including activities to improve parenting skills; household organization; use of praise; time out; task restructuring; parent/child communication/interaction; trauma and stress management.
3. Build support network for the child and his/her family members.
4. Utilize community resources to include assistance to children and family members in identifying and accessing needed services and entitlements, and learning to use community resources.
5. Develop linkages to make maximum use of existing community resources and services.
6. Maintain coordination and brokering with other child serving systems.
7. Monitor service delivery and assure continuity of care in the Children and Youth system and among other child serving systems.
